## Landscaping Project:

By next summer the area in front of the Big Shed should be a beautiful grassy space, suitable for games, camping and other events.

Since July, contractors have been busy with extensive ditch digging, drain laying, levelling, rock and stone clearance, soil shifting, harrowing, and finally hand raking and sowing the grass seed – as seen in the photograph above. Also planned are some improvements at the entrance gate to the field – a new gate, a separate pedestrian gate, and hopefully no need for the welly boots in wet weather!

We are grateful to the Big Lottery Fund 'Survive and Thrive' grant for funding the work.

-----  
Recent visitors to Tombreck may also have noticed the improved entrance and 'winter parking space' at the road end; this was funded by Tombreck residents and a grant from the Co-op.

## Wedding!!

Well, we got married! On Saturday 1<sup>st</sup> September, Tober and I (Sue) held our wedding reception at the Big Shed. With over 200 guests to feed and entertain, we hired a 40ft x 80ft traditional style marquee which was erected on the 'soon to be grassy' space in front of the Big Shed.

It was an amazing day; the cooks and helpers worked hard in the Big Shed kitchen to produce the food, which was served in the marquee, the bar (run by our barman Laurie!) was in the main hall along with the cakes and puddings. Inside the marquee, The Loch Tay Steamers provided the ceilidh music, which was followed by more singing and more dancing into the night....!!
