'Help Wanted'

for the Big Shed

We are looking for a volunteer intern to help us promote the Big Shed. This could be someone who has experience and ideas or an interest, especially with regard to bringing affordable music (concerts and/or workshops) and running these events at the Big Shed.

Working part time from home, for someone able to work long-term on the project, there is also the potential to create employment in a Development or Managerial role, either through grant funding or business income. If you are interested or would like to know more, please contact Wendy websitecontact@bigshed.org.uk.

For more information about the Big Shed, look at: www.bigshed.org.uk and our [Facebook page](#)
